Directions to Office:

My office is located at 919 S. Winton Road, directly across from Twelve Corners, and next to the Sunoco on the corner of Monroe Ave & Winton.

There is a free parking lot in front of the building. My office is on the 3rd floor, suite #310– you will come in the main entrance and up to the top floor. I have a small, private waiting area straight down the hall (you will see two chairs and some plants, along with a table with reading material). Please have a seat here and be comfortable, and I will come out to get you at your appointment time.

If you have any difficulties finding me, or are running late, please call 585-237-8956. Thank you!
